

Swear in Adelita Grijalva

November 12, 2025

Speaker Johnson, it's time to do your duty. The people of Arizona's 7th Congressional District voted decisively to elect Adelita Grijalva — yet you've refused to swear her in. Your obstruction has denied 800,000 Arizonans their rightful voice in Congress, including thousands of Latino and Indigenous families who depend on federal representation for essential services and protections.

This isn't a matter of politics — it's a matter of democracy. By blocking Rep.-elect Grijalva's swearing in, you're sending a message that some voters count less than others and undermining the integrity of our government.

The election is over. The results are certified. The people have spoken. Every day you delay is another day Arizona families are left voiceless in Washington. You don't have the power to erase an entire district's will.

We, the 12,885 undersigned, demand that you immediately seat Adelita Grijalva so she can fight for the people of her district.
